

How to file a complaint about Justice Samuel Alito:

- 1) You will need access to a printer, an envelope, a stamp, and a pen.
- 2) The complaint form starts on the next page. Open the file with your Word-compatible editor. Fill in your personal information in Section 1: name, address, phone number. Alternatively if you have the PDF, just print it and fill it in by hand. All of the other relevant information has been filled in. The form specifies that the information needs to be typewritten, so that is preferable. With that said, if you can't use an editor to type it in, it's better to hand write it and send it in than to not send it at all.
- 3) The last page is a sample of the Brief Statement of Facts. You may substitute your own text if you prefer.
- 4) Print pages 2-4 of the document.
- 5) Sign and date on the second printed page.

- 6) Mail it to:

Scott S. Harris, Clerk

(217) 492-4062 or (309) 786-5173.

The Senator is the chair of the Senate Judiciary Committee, and he should at the very least be calling for hearings about Justice Alito's clear demonstrations of bias. (Thanks to Jessica Craven for the phone numbers.)

and call Senator Whitehouse at
(401) 453-5294 or (202) 224-2921

and call Representative Raskin at
(202) 225-5341

- 8) For more extra credit, print three extra copies and send them to these three congressmen. Write "FYI – filed with the Supreme Court" at the top of the first page. The point of sending these copies to Durbin and Whitehouse and Raskin to provide them with proof that there really is a public outcry over Justice Alito's bias.

I'm not a professional activist. I'm just outraged over this clear demonstration that our courts are compromised, and this is something that I can actually do to make my voice heard. You may reach me at votetosavedemocracy@gmail.com . Feel free to redistribute, with my information or your own. I wrote it, but I don't want credit, I just want the thing to happen.

Sincerely,

Brief Statement of Facts

Attachment to Complaint of Judicial Misconduct or Disability
Docket No. 23-624: United States of America v. Donald J. Trump

Associate Justice Samuel Alito has clearly demonstrated that he cannot be impartial with regard to Donald Trump's immunity from prosecution. The recent reporting of his household flying the American flag upside down in support of the "Stop the Steal" movement in January 2021 demonstrates clearly that Justice Alito is already biased in Trump's favor. His flying of the "Appeal to Heaven" flag at his vacation home is an even clearer demonstration of his bias.

The Supreme Court's code of ethics which Justice Alito signed establishes that the justices "should maintain and observe high standards of conduct in order to preserve the integrity and independence of the federal judiciary." The American people deserve to have faith that all of our justice system but most especially the highest court in the land are able to perform their duties without bias or prejudice. The reported facts in this situation show an egregious bias in favor of Donald Trump. Even if the U.S. flag was flown upside down at the direction of the Justice's wife, it flew for a period of several days, and the Justice could hardly have been ignorant of its presence, its meaning, and the strong message of support it sent for the overthrow of the legally elected government. Similarly his display of the "Appeal to Heaven" flag is, if anything, an even clearer demonstration of his inability to be impartial. It begs the question as to why he even owns such a flag, much less feels that it is appropriate to display it publicly.

Associate Justice Samuel Alito must recuse himself from this case to remove any question of his bias affecting the decision. If he refuses to do so of his own free will, I request that the Chief Justice should step in and bring about his removal from the case.
